OUR MISSION STATEMENT

The North Carolina Transportation Maintenance Council (NCTMC) is an organization of transportation maintenance professionals. The purpose of the maintenance council is to provide a forum for people to share information. Our goal is to promote professional maintenance practices, new technologies, products and processes to improve maintenance practices, and network with suppliers and peers in the industry. The NCTMC also works with Local, State and Federal agencies to promote safer highways through proper safety and maintenance training. We provide scholarships to students to support training of new professional maintenance personnel, and other developmental programs in North Carolina Community Colleges.

This is not an invoice. Its purpose is to invite you to be a part of the NCTMC. Contributions or gifts to the NCTMC are not deductible as charitable contributions for federal income tax purposes. They may be deductible as ordinary and necessary business expenses, though. Dues payments may be deductible by members as an ordinary and necessary business expense. Annual memberships are available to individuals and companies. This is not an invoice but a campaign to have you become a member of the NCTMC.
